

# LEAP

Learn. Earn. Achieve. Progress.

## Computer-Aided Design Training Basic Computer Skills Needed

**Training at no cost to eligible participants!**

**CCBC Catonsville, 800 S. Rolling Road**

Computer-Aided Design (CAD) is used in many fields from construction to engineering and manufacturing. Learn how to use computers to aid in the creation, modification, analysis or optimization of a design. Use your creative and analytical skills to create dynamic, multidimensional images that serve as the foundation for projects.

**GET YOUR CERTIFICATION FOR EMPLOYMENT**
